10 – 11:30 a.m. **Swan Viewing**  
**Calispell Lake**

11:30 – Noon **Lunch in Meeting Room**

12:30 – 1 p.m. **Welcome and Introductions, Ray Entz, KNRD**

### **Speakers:**

1 – 1:30 p.m. **Martha Jordan**, also known affectionately as "The Swan Lady."

**TOPIC:** "*Journey of the Swans*"

Since 1979, Martha has worked to organize volunteers to survey trumpeters throughout western Washington and is an expert on Trumpeter Swan distribution in that region. Martha has worked with state agencies both as a volunteer and as a consultant biologist and is currently working on a variety of projects including mapping agricultural land in western Washington and overlaying Trumpeter and Tundra Swan locations, work with the swan lead-poisoning issue and active with Get the Lead Out campaign to halt the use of lead shot. She initiated the Washington State Working Group to assist in swan survey work to develop educational programs for the public and to generate both public and private interest in trumpeters. Martha has contributed opinions to the North American Management Plan for trumpeters in the Pacific Flyway, has written the Society's swan identification brochure and has organized three Society conferences.

1:30 – 2 p.m. **Bart George**, Wildlife Biologist III, Kalispel Tribe of Indians.

**TOPIC:** "*The Selkirk Mountains Forest Carnivore Survey Update*"

2 – 2:30 p.m. **Mike Lithgow**, Director, Pend Oreille County Community Planning Department.

**TOPIC:** "*Birds on the Water: The Pend Oreille River Water Trail*"

**Event Concludes**
